

Chen Haitao

Present

Visiting scholar Department of Industrial and Systems Engineering , University of Florida
Weil Hall 401,Gainesville,Florida,32611

Call: 1-352-392-3389 Ext 2033

Email: htchen@ufl.edu or htchen.jlu@gmail.com

Associate Professor ■ School of Management ■ University of Jilin
No. 5988 Ren-Min Street, Changchun, Jilin, P. R. China 130025

EDUCATION

Ph.D. Jilin University, Changchun, China

Major: Technological Economics and Management (2002-2007).

M.A. Jilin University, Changchun, China

Major: MBA (1999-2002).

B.S. Harbin Institute of Technology, Harbin, China

Major: Mechanical Manufacture Technologic&Equipment (1988-1992)

RESEARCH INTERESTS

Operation Management

Industrial Engineering(Lean Production TQC TPM JIT 5S)

Supply Chain Management

Advanced Manufacture Technologic(CIMS Concurrent Engineering Agile Manufacturing)

WORK EXPERIENCE

2002-Present Associate Professor ,Researcher, the management science & engineering Division Jilin University

1992-2002 Engineer , the State Key Laboratory on Flexible Manufacture System. Changchun Equipment &Technology research institute.

TEACHING EXPERIENCE

Operation Management, undergraduate& MBA 2003-present

E-business, postgraduate 2003- present

ERP, postgraduate 2004-present

Industrial Engineering , postgraduate & undergraduate 2003-present

Supply Chain Management , postgraduate &MBA. 2005- present
