

ISE CAREER FAIR

Every Fall semester, the University of Florida Department of Industrial & Systems Engineering (ISE) holds a Career Fair, where companies meet with **undergraduate students, graduate students, and alumni** to recruit for internships and full-time positions.

In the fall of 2018, **more than 350 students** attended the fair and met one-on-one with representatives from **19 companies**.

We would love to have your company join us at the ISE Career Fair. For more information, visit ise.ufl.edu/careerfair.
